Subject:- Maternity and Child Welfare Centre-
Opening of a centre at Kinnigoli-
sanction sought.

This District Board has in its resolution No.24/19-3-45 agreed to open a maternity and child welfare centre at Kinnigoli of Mangalore Taluk as the necessity of a midwife at this flourishing locality is keenly felt as there is no midwife in the neighbourhood. The Panchayat Board, Kinnigoli has agreed to contribute Rs.180/- per annum to the District Board for the purpose.

2. I therefore request that Government may be pleased to accord sanction for the opening of the centre at Kinnigoli.

3. A copy of District Board Resolution No.24 dated 19-3-45 is enclosed.

2. Provision has been made in the B.E. of the South Kanara Dt. Bd. for 1945-46 for an expenditure of Rs 3,600 for the maintenance of 6 new maternity and child welfare centres in panchayat areas. Apparently this includes provision for the opening of the maternity & child welfare centre proposed in the draft order. The total expenditure on the centre now proposed will be about Rs 600 a year. Excluding the one fourth grant from the Govt (Rs 150) and the contribution of Rs 180 from the Kasaragod Panchayat Board the net expense to the Dt Bd involved in the proposal will be about Rs 270 per annum. It will be possible for the Dt Bd to meet this recurring expenditure

With these remarks the file may be passed on to the F.

2. It will be seen from the L.A. dept's note on pp 1-2 n.f. of f.o. 1393 Edn & H. S. 45 that the financial position of the South Kanara Dt. Board is not satisfactory ~~with reference to the~~ Before the current year. It is stated that the addl. income from the several resources made available will be ~~a Rs. 1,56,648/-~~ anticipated in the current year required to wipe off the large deficit of Rs. 1,56,648/- and to meet the addl. expr. of Rs. 40,002/- involved in the payment of D.A & War allowances. ~~It would appear that~~ The present proposal to open a Maternity and Child welfare centre at Kirinjeshi will add to the ~~above~~ recurring expr. of the Board & the resultant deficit will have to be borne by the Govt ~~sanctioned~~. ~~Sanction may therefore advise against the proposal~~ ~~as it is~~ ~~will~~ in the shape of a grant towards the cost of payment of dearness & war allowances to the Dt. Board's employees. ~~I~~ may advise that the proposal for the opening of Maternity & Child welfare centres contemplated by the Dt. Bd (see x on p 3 above) may be

Dus

deferred for the present i.e. until the Dt. Bd.
is able to stand on its own legs.

The Santhi Kendra Dt. Boards has
resolved to open a maternity and Child
Welfare Centre at Kunigoli. There is
also a Dispensary at the Board place.
The Lady Health Visitor agreed to pay a com-
pany subsidy of Rs. 180 per annum towards
the Taxi Cost of Rural Centre which is desired
to object to the proposal that Finance
are of opinion that the finances
of the Dt. Bd. appear not satisfactory

[illegible] Dy. Commissioner will not be able to
recommend the proposal as

may be deferred -

It is seen that Health B^d has made a provision ~~for~~ of Rs 3600 in its budget for f. 3 and 1945-46 for the opening of new centres. So far as this particular centre is concerned it is unfortunate that the running cost per annum will be more than Rs 1000/- which a sum of Rs 600/- will be paid by the Local Board and one quarter (Rs 150) by Govt as maintenance grant. It should be considered whether this expenditure will involve which Govt ought to pay the B^d ~~...~~ or the Govt

27.9.45 The Health B^d has already made provision for this expenditure in its budget and it remains to examine local bodies to undertake and to what extent the Govt

to open the centre may be accepted. (M. note precedent in the 3 files immediately below). For orders.
